

Cooley Dickinson Medical Group Orthopedics & Sports Medicine

Physicians: Dr. Jonathan Fallon

Dr. Jonathan Fallon is a Boston College alumnus, graduating in 1994. Subsequently, he studied at the University of New Mexico, where he earned a Masters degree in biomedical sciences, focusing on the micro-anatomy and functional biomechanics of the rotator cuff. He earned his medical degree at Kirksville College of Osteopathic Medicine in 2003 where he also received a pre-doctoral fellowship in anatomy.

He completed his residency at University of Medicine and Dentistry of New Jersey. Dr. Fallon recently finished his fellowship in Sports Medicine and Arthroscopy at the University of Massachusetts Medical Center. During his fellowship he helped care for the Boston Red Sox minor league players and professional hockey players from the New Jersey Devils while acting as their assistant team physician.

Dr. Fallon is an active member of the American Academy of Orthopedic Surgeons, the American Osteopathic Association, the American Osteopathic Academy of Orthopedics, the New England Shoulder and Elbow Society, the Massachusetts Medical Society, and the Massachusetts Orthopedic Society.
